Driving Directions

Exit the M25 at Junction 1a and take the A206 towards Erith (known as Bob Dunn Way, formerly University Way). After 0.5 miles turn right at the roundabout into Marsh Street where you will see the centre to the left.

If you are travelling from Essex, keep to the left lane when you cross the Bridge as the exit is immediately after the tolls. This is a new development and older sat navs may not accurately direct you so please check your route before leaving. A detailed map is provided overleaf.

Public Transport

The Fastrack 'A' bus service runs every 8 minutes between Dartford Train Station and Bluewater Shopping Centre. It has a dedicated route and stops immediately outside the centre. For further details please visit: www.go-fastrack.co.uk
